Becoming a trustee

**Help us to be innovative, accountable, creative and inclusive.
Be a trustee.**

Creative, energetic and dynamic, the AHTrust aspire to excellence in everything we do using advance technology in exciting unique projects and this is a shining example of how effective an imaginative management style can be. Through our progressive, outward looking approach, we help to inspire people in ways that are inclusive, yet challenging.

The AH Trust Board of Trustees consists of a maximum of 12 people who are appointed to serve for an initial period of up to five years, which can be renewed for a maximum period of 8-10 years. Their role is primarily a strategic one and some specific areas of high-level decision-making are reserved to the Trustees. The AH Trust is a non-profit and caring organisation. The appointments are not remunerated, but we can reimburse out of pocket expenses incurred such as travel and subsistence.

How to apply to become a trustee

Applications are always welcome from anyone who has appropriate skills and qualities. The application form is available below. The form must be completed in hard copy with your signature and sent to the AHTrust.
