Become a Patron

Help us help those suffering dementia

This is your special invitation to become involved in our exciting projects to help to inspire people to improve the quality of life for those suffering dementia.

Benefits of becoming a Patron:

Patrons have unparalleled access to the finest and unique projects in this country. Namely the building and designing of advanced ultra modern Day Centres to improve the quality of life for those suffering dementia, and the World's first 3D Cinematic Hologram Film Studio. Patrons enjoy a number of special, behind-the-scenes events during the year. These are designed to highlight the diversity and richness of these unique projects and allow Patrons to enjoy a deeper relationship with the people involved with running the Day Centres and the people who run the Film Studio.

- special receptions
- exhibition private views
- behind the scenes tours
- talks by Guest Speakers
- personalised plaque displayed in the Reception area

As you will appreciate, Patrons add credibility to an organisation and will help to bring **vital voluntary support** being essential for the success of all our unique projects. We do not need monetary support, only your permission to show your photograph on our brochure etc. If you genuinely would like to know more about the aims and purpose of the organisation, please drop us a line. We will be more than happy to send, or visit you, to show you detailed information.

The AH Trust is a non-profit and caring organisation.

Looking forward to hearing from you.

Yours faithfully

Den Rodenko - Trustee
